We Are For the Love of

For the Love of Cats, Inc. is a 501c3 non-profit organization dedicated to saving the lives of cats and kittens in our community. We are a no kill, all volunteer shelter and rescue group operating through the generous donations of the community members.

We rescue the kittens found on the island and TNR the feral adults. Trap-Neuter-Return (TNR) is a full management plan in which stray and feral cats already living outdoors are humanely trapped, vaccinated, and sterilized. Kittens and tame cats are adopted into good homes. Healthy adult cats too wild to be adopted are returned to their familiar habitat un-

Every kitten and cat brought to the shelter receives the best medical care thanks to the support of local veterinarians. Volunteers visit daily to work, love and play with them to access their individual personalities so we know what makes each one so special. Our goal is to match every special orphan we take care of to the right family for a permanent

TASK LIST

Make a List of Pet Friendly Motels

Research in several directions depending on how the storm is moving. Helpful websites-
www.letsgopets.com
www.pets-allowed-hotels.com

Ask an Out of State Friend or Relative to be the Emergency Contact for your Family and Pets

Copy Important Papers and Information

Put in a waterproof zip lock bag-

- Veterinary name, address and phone number
- Health records (vaccinations, allergies, medications) for each animal
- Name of Microchip Company, phone number and chip number for each animal
- Take a photo of your family and your pet together (proof of ownership) and one of just your pet
- Make a flyer for each of your pets-
 - Put the name of the pet at the top of the flyer; add both photos, your information, your out of state contact information, unusual markings or colorings on the animal.
 - Make 10 copies of each flyer

Have a Large Carrier for Each of your Pets

They should have room for them to stand up and move around as well as room for food and water bowls and a shoebox size litter box, if needed.

- Mark your name, address and phone numbers on each carrier with a permanent Marker
- Add another tag with the emergency out of state contact information
- Put a laminated label on the carrier with any medications (including dose and frequency) with veterinarian and pharmacy phone numbers
- Line each carrier with a puppy training pad in case of accidents or spills

Put Identification on Each Animal

- Microchip and register each of your pets
- Collar or harness with rabies number, pet name, your name, address, phone numbers
- Add additional tag with emergency out of state contact information
- Have a spare writable collar for temporary addresses. Ask your veterinarian about them or get a piece of Tyvek from the hardware store that you can cut to size, write on with a permanent marker and staple around the animal's neck.
